

**An invitation to Messy Church
at Horsmonden Primary School to all families on
Thursday 6th October from 3.30pm until 5.00pm**

Q; What is Messy Church?

A; It is a very informal and fun way to introduce worship to people of all ages. It involves games, craft, singing, storytelling, a short prayer and always ends with food – a simple tea for everyone.

Q; Who can come?

A; Anyone! We particularly invite families with young children, perhaps those who were thinking about coming to church but haven't quite got there yet. We also invite adults who can help with the activities. We want parents/grandparents, carers to come with children and learn about the Love of Jesus in our lives.

Q; What will happen on the day?

A; Well we will start with a drink and biscuit.. This will be followed by games, crafts a very short talk and prayer all on a particular theme. We will finish with tea and delicious cakes.

Q ; Is there a cost for this?

A; There is no charge for Messy Church but we do have expenses for craft materials and food so donations are welcome.

Q; Is there anything else I need to know?

A; Please, we would like to know how many are coming for catering purposes, so could you please either pop into school and sign the booking form kept in the school foyer or sign the booking form in the kindergarten. These will be available from next week 19.9.11.

Q; Who is running this ?

A; We are a team from St Margaret's Church here in Horsmonden who strongly believe that we would like to show the Love of Jesus to those who might feel unsure about whether Church was right for them. If you would like to speak to someone please contact Erica on 01892 730866.

Date for the diary

Next Messy Church will be 3rd November same place and time
