Dear Parents,

### **Junior Sports Day – Monday 18<sup>th</sup> July 2011**

We are delighted that once again we will be holding Junior Sports Day at the multi-million pound sports complex at Tonbridge School Centre. In the morning, lower juniors and upper juniors will have combined swimming competitions to give a great atmosphere alongside field events outside and the afternoon will consist of the track events with all children together in their houses.

The aims of the day are to increase children's **aspiration, offer coaching and enjoy competition** by using facilities that primary school children do not routinely have access to. During the day your children will have the opportunity to take part in track events, field events, swimming and, for Year 6, the climbing wall (this will be a choice activity as some may simply find it too daunting).

Such an undertaking requires support and personnel and the reply slip at the bottom of this letter invites you to give us practical assistance on the day itself. You will need to organise transport for your children to the Tonbridge School Centre, and you may be asked if you can take another child. Those of you with infant children will be able to bring your child to school earlier on that day and collect slightly later, where the infant staff will supervise them; please make sure your child's teacher knows if you need this facility.

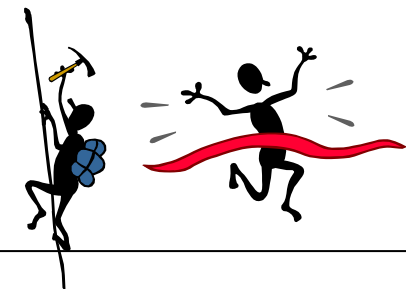

Before the day itself, we will organise the events so that we will have a full list of competitors. Children will need to arrive in their P.E. kit, but may have a t-shirt in their house colour. They will also need their swimming kit and a packed lunch; you are very welcome to stay with us throughout the day and bring along your own picnic.

If you have any questions at this stage, do not hesitate to ask. Please fill in the form below both to give permission for your child to take part and to indicate your assistance if you are available.

Finally, we would like to thank the Friends of Horsmonden Primary School who have agreed to sponsor the event to ensure the children have a sports day that is second to none.

Yours sincerely,

Malcolm E. Hayes
