### \*\*\* FOHPS SUMMER 2010 NEWS\*\*\*

We wish to thank all those parents who supported the fete last Saturday and we are pleased to announce that together we have raised a staggering £4,400.

Special thanks go to all those parents who manned the stalls during the afternoon and to the Form Reps Rikke Jackson, Maria Mewett, Vicky Mustill-King, Jane Rabbetts, Rebecca Hutchinson, and Penny Ironmonger for all their hard work getting the rotas staffed and the stalls manned on the day.

Thanks also to Vicky Mustill-King for organising the maypole and training the year 4 dancers; to Charlotte Fairs for getting the Boogie Fit seniors to work out in the oppressive heat; to Sarah Burkett for the Judo display, and to Simon Hookway for erecting the gazebos. Thanks to Mrs Price for providing the jars of sweets, and to Mark Wilson and Richard Greenwood for constructing the crockery smash stand at the last minute. Without all this help the event simply would not happen.

### **More dates for your diary**

On **Saturday 17th July** we will be holding our annual **School summer camp out** on Hayman's Hill just outside Horsmonden. At a bargain price of only £10 per family, this is a really fun and relaxed event which is open to all families with children at Horsmonden School. FoHPS will be arranging toilets and a communal barbecue area - the rest is up to you. The field is secluded and the kids will have woodland to run around in. More details will be provided nearer to the date, but book the date in your diary as it's one the whole family will enjoy. If you can't stay all night you are more than welcome to come along for the Saturday and join in the fun.

The final event of the year is the children's **end of year disco on Thursday 22<sup>nd</sup> July.**

More details of both these events will be available shortly and FoHPS have a notice board just inside the children's entrance - so don't forget to check it out anytime you are passing.

### **Form Reps**

We are on the lookout for year form reps for next year, so if you are interested contact your current form rep or one of the committee members for further details.
